

Disability and Start up (DASU).

Civil society as protagonist of inclusive development in Liberia.

INTERNATIONAL WEBINAR

31st August 2021, from 11.00 to 13.00 CET

Title: Disability, poverty and livelihoods: learning from Liberia about inclusive business.

An international webinar to discuss together how to increase awareness of international cooperation actors about the rights of People With Disabilities (PWDs) to access to labour market, their exclusion from livelihood opportunities on equal basis and what steps can be taken to move forward disability inclusive sustainable livelihood / inclusive business.

Program - Summary:

- **Welcome and introduction**
- **Disability inclusive sustainable livelihood – The DASU project experience in Liberia.**

This session will inform the audience about DASU project as a good example of the Italian disability inclusive development cooperation, and it will introduce the theme of “disability and labour market” with a specific focus on Liberia

- **Mainstreaming disability in livelihood interventions: Inclusive Business in practice.**

This session will share practical experiences related to disability inclusive business in Liberia, stimulating awareness of what it is essential to do to foster the inclusion of PWDs in the labour market.

Videos and testimonies from Liberia will be broadcasted during the webinar.
