

International Webinar

31st

August 2021

from 11.00 to 13.00 CET

Disability, poverty and livelihoods: learning from Liberia about inclusive business (DASU project).

An international webinar to discuss together how to increase awareness of international cooperation actors about the rights of People With Disabilities (PWDs) to access to labour market, their exclusion from livelihood opportunities on equal basis and what steps can be taken to move forward disability inclusive sustainable livelihood / inclusive business, with a specific focus on Liberia.
